**ACTOR GUILLE BRANCO**  
**AS STRIPPER IN “BEST NIGHT EVER”**  
**OPENING NATIONALLY JAN 31**

January, 2014 -- Los Angeles, CA -- Actor **Guile Branco** will be appearing in the upcoming ***Best Night Ever***, scheduled to open nationally on **Friday January 31**. ***Best Night Ever*** is directed by **Jason Friedberg** and **Aaron Seltzer** (*Scary Movie -- 1, 2, and 3; Disaster Movie, Vampires Suck, The Starving Games*)

The film is distributed by **Magnet Releasing**, a subsidiary of **Magnolia Films**, and is the story of **Claire**, who is about to get married. She goes to Las Vegas with her sister and two friends for her bachelorette party. Things quickly spiral out of control.

Guile appears as **STRIPPER** in the film. He was chosen to portray the stripper after showing producers **Jason Friedberg** and **Aaron Seltzer** that while living in New York City he was part of an ensemble theater group known as **The Fantasy Party** which is a Chippendales-type show catering to bachelorette parties in the Manhattan area, created by **Larry Pellegrini**, also the creator of **Tony and Tina's Wedding**.

Originally from Brazil, 2013 marked ten years in the US for Guile Branco. To commemorate, he participated in the **Muscle Beach International Classic & Armed Forces Championship** which took place over the **Memorial Day Weekend**.

Guile has appeared in the lead in a **Capital One tv spot**, and in the tv series **1000 Ways to Die** and **NBC's The Match-Off**. Guile Branco will be seen in the soon to be released independent film **The One Nighter**. Guile currently appears in **Pizza Me, Mafia** with well known Brazilian television comedic star **Tom Cavalcante**. **Pizza Me, Mafia** premiered in **The Paramount Theater**, the largest theater on the Paramount lot, which Guile also hosted. He has also completed a performance in the independent film **224**, shot in New York City and directed by Brazilian **Heidnaldo da Silva**, starring in the lead role as **New**, a character framed for a crime he didn't commit -- a bank heist -- who gets trapped in an apartment with a crazy woman.

Guile also just finished principal photography on the short **This Thing About My Wife**, written by **Joe Moreira** and directed by **Jean Paul Oullette**, who was second unit director of **The Terminator**. Guile is also the lead, and plays a husband whose wife decides not only to control his life, but gets a girlfriend to share the household.

Most recently Guile wrote the screenplay for **Brazilian Town**, in which he will also be starring. Producers are planning to shoot later this year in the Boston area.
