FEATURE FILM "HYBRIDS"

STARRING PAUL SORVINO

COMPLETES PRINCIPAL PHOTOGRAPHY

IN AVE MARIA FLORIDA

Ave Maria, FL -- November, 2013 -- Production companies **HASIII Inc.** and **Peter Anthony Entertainment** announce that the principal photography of their feature *Hybrids*, starring **Paul Sorvino**, has completed in Ave Maria, Florida.

Hybrids is a PG multigenerational comedy.

A coming of age for three generations: young adults, parents and grandparents.

An Epiphany for all!

A spoof on all the horror films of today.

The film stars **Paul Sorvino, Carolyn Hennesey**, with **Philip Willingham, Charles Noland, Anne Leighton, Lauren Lakis, Leanne Agimon, Mojean Aria, Rawle Lewis, Tatanka Means, Chris DeChristopher** and Naples' own **Chuck Ardezzone**.

Paul Sorvino has made a solid career of portraying authority figures. He has appeared in a variety of film, TV and theatrical productions over the the last four decades including a standout performance as mob patriarch "Paul Cicero" in the powerhouse **Goodfellas**. He has performed in nearly fifty movies in just the past decade, and **is the proud father of Academy Award-winning actress Mira Sorvino**. Paul Sorvino's brother, a Naples resident, also has a part in the film.

Production Company - **Peter Anthony Entertainment**

Directed by **Tony Randel**

Written by Collier County resident **Tony Schweikle**

Produced by **Tony Schweikle & Peter Wooley**

Filmed at the community of Ave Maria.

Second Unit filming at Roscigno Italy.

Crew, equipment and most of the cast are Florida residents.

Producer Tony Schweikle

Producer **Tony Schweikle's** vision is to attract more film & television production to southwest Florida: "To do this we must have competent professional crew and equipment available for producers looking to shoot their films in the region." Several locals were hired and trained to fill department needs.

Prolific production designer **Peter Wooley** is also a producer of **Hybrids**. Peter has eighty-five films and television series to his credit, including the **Mel Brooks** films **Blazing Saddles** and **High Anxiety**. He was nominated for an Emmy Award for Production Design of the television movie **The Day After** about nuclear war.

Producer Peter Wooley

Peter is also author of the highly entertaining **What! and Give Up Show Business?: A View from the Hollywood Trenches**.

Hybrids now enters the post-production stage where it is edited, sound and color are corrected, music and titles are added.

The producers are in talks with several distributors, more news about **Hybrids** will be coming soon!
