For Immediate Release

August, 2016 -- Los Angeles, CA -- Born in Sao Paulo, Brazil, up and coming onscreen talent **Tatyana Figueiredo** is now living and working in Los Angeles.

**Tatyana** appears in the **Warner Brothers** release **Suicide Squad** which had a very strong opening worldwide on August 5. Directed by **David Ayer** (Writer of **Fury**, **Training Day**, **The Fast and the Furious**) **Suicide Squad** is the story of a secret government agency that recruits imprisoned supervillains to execute dangerous black ops missions in exchange for clemency.

Starring **Margot Robbie**, **Cara Delevingne**, **Jared Leto**, **Scott Eastwood**, **Will Smith**, **Ben Affleck**, **Viola Davis**, and many, many others.

**Tatyana Figueiredo** talks about working in the film: "My experience on set was the best ever. Everyone treated me very well. I had my own wardrobe room and someone was constantly checking up on me, asking if I needed anything. Things like that are rare when you are a lesser known actor!

Clay Enos/Warner Bros.

Once I was scheduled to be on set, director **David Ayer** came to me to say thank you for me being there. What a pleasure meeting him! I want to say **THANK YOU** to him for giving me this awesome opportunity to be a part of this amazing production!

When it was time to shoot my scene a very funny situation took place. I never received so much attention and care at the same time. I was waiting for the crew to set up the cameras and one guy, who was in charge of taking care of me, asked me if I wanted some water and I said yes. He left right away to get it for me. Next the stunt man of **Adam Beach (Slipknot)** in the film), the actor who I interact with, asked me if I wanted water and I said that someone was already getting some for me, but he left to go get some for me as well. Then, another man who was an assistant camera man came and brought me a couple bottles of water. Seconds later one by one everyone was coming to me and giving me bottles of water! haha It was so funny because I had so many bottles of water on set that I had to hide them in different places in the scene so they did not show on camera! And because my scene takes place in my bathroom, the the assistant camera man and I were playing around saying that we could fill up the bathtub just with the water everyone had brought me! I definitely wasn't thirsty anymore!

The shooting of the scene went very smoothly, **Adam Beach (Slipknot)** was very nice and friendly and so was his stunt man. I felt so comfortable on set that I completely forgot that I was in a really huge production with such amazing well-known actors. I had a blessed time that day. I will never forget that moment and how well I was treated. Every single person involved in that movie got my attention, my respect and my admiration. I would love to say thanks to everyone involved with **Suicide Squad** for such an amazing experience!"

Next up for **Tatyana** is **Guitars and Guns**, directed by **Robin Mountjoy**, starring **Jake Busey**.
